August is Cash Back time!

If you are getting Cash Back, you will find your credit included on page 2 of this month's electric bill. If you had at least one bill from Connexus Energy in 2022, you will receive Cash Back this year.

WHAT'S CASH BACK?

When you move into a home or establish a business in Connexus' service area, you become a member of our cooperative. Your Cash Back is calculated based on your electricity purchases during the year.

Cash Back is just one of the advantages of being our member. It sets us apart from other utilities. Connexus is one of the few utilities to give you Cash Back.

IT PAYS TO BE A MEMBER OF OUR CO-OP!

Cash Back adds up. Cumulatively, our members have received \$130 million in Cash Back through the years.

Cash Back for former members

Thousands of former Connexus Energy members have unclaimed Cash Back. Maybe it's you or you know one of them? It's easy to check.
